

2015 SCACM AUDIO CONFERENCE SERIES
We Bring the Experts to Your Laboratory!

You can participate by using your telephone or obtaining a CD recording. Either way, SCACM brings the experts to your laboratory. Each SCACM Audio Conference is presented twice, once at 11:00am and again at 1:00pm Central (Chicago) Time. The call will last between 60 and 75 minutes and will include a live Question and Answer session with the expert. Details for each call will be sent by Email at least one week before each Audio Conference. The telephone number used to connect to the bridge is a toll call, so you will have long-distance charges. Each site will download the conference files from our web site. It is easy! Just save the files to your PC. We record each Audio Conference and will transfer it to a CD, playable on a computer using Internet Explorer and the CD includes the handout and other files. SCACM does NOT permit the recording of the Audio Conferences by the sites! The CD is typically sent out about three weeks after the call date by first class mail. If you order the CD at the same time you order the live call or if you decide after the call to order the CD of that call, you pay only \$20 additional for the CD. And, by purchasing the CD, more staff can learn and earn CEU credits. By participating in the call or by listening to the CD, staff can earn CEU credits for up to six months after the presentation.

This year we are presenting 10 Audio Conferences. The January and April 28 Audio Conferences will be offered **FREE of charge** as a thank you to our loyal customers! Anyone may register for them at no cost. You do not have to be a member to partake, though we highly encourage you to consider becoming a SCACM member.

SCACM is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E. ® Program.

You may print and keep this page for your reference. **All the information we need is on the REGISTRATION FORM which follows.**

Please Note: Orders received without some form of payment noted or a purchase order number cannot be processed. We will attempt to contact you for payment information.

Payment must be received within 90 days of your registration date. Otherwise, you may be precluded from calls that you may have registered for. We will give you advance notification of any pending suspension.

Many organizations have spam filters which preclude us from having our call detail Emails received by the facility's servers. This means you MAY NOT receive the call details in a timely manner (at least a week before each call). So, please take the following actions so that you will receive our Emails in the future:

1. Notify your IT department to White List the following Email addresses: scacm@scacm.org and scacmcom@scacm.org
2. If you DO NOT have your call details on the Thursday prior to the audioconference, send an email to either of the addresses in #1 immediately.
3. If you have difficulty connecting to the audio conference on the day of the call, you may contact Dave at 877-902-3030. This is our Customer Service number.
4. Send fax submissions to 1-877-997-2226. These get placed into the regular queue and are usually handled within one day of receipt.

On behalf of SCACM, thank you for joining our Audio Conferences. We welcome your comments and suggestions at scacmcom@scacm.org
